

Castrol Go 4T 20W-40

Cleans and Protects

Description

Castrol Go 4T is a modern engine oil designed specifically for 4-stroke motorcycle engines. It is specifically formulated with Castrol Trizone Technology™ which protects the three critical zones specific to the modern motorcycle: the engine against wear and deposits, the clutch against slippage and grab and the gearbox against pitting and wear. This helps to maintain the health of your engine, leading to reliable starting and trouble free running.

Application

Castrol Go 4T is suitable for use in all modern motorcycles where JASO MA is recommended.

Advantages

Castrol Go 4T with Castrol Trizone Technology™ Cleans and Protects to give you Trouble Free Riding.

- The engine is protected against wear and deposits.
- The clutch is protected against slippage and grab.
- The gearbox is protected against pitting and wear.
